2012 PLAN CHANGES

Plan changes are indicated by **bold text** in the *Comparison of Benefits* charts.

Health Plan Changes

HealthChoice Health Plans

Each year, tobacco use costs the HealthChoice health plans and their members approximately \$52 million. Because these costs affect the premiums of all health plan members, HealthChoice is encouraging our members to stay or become tobacco-free by freezing the deductibles and out-of-pocket limits of the HealthChoice High and Basic Plans at 2011 amounts for non-tobacco users. The HealthChoice High Alternative and HealthChoice Basic Alternative Plans are being introduced for tobacco users. The individual deductibles and out-of-pocket limits for these two plans are \$250 higher than the High and Basic Plans.

To enroll or remain enrolled in the HealthChoice High or Basic Plan for Plan Year 2012, you must attest that you and your covered dependents are tobacco-free by completing the *HealthChoice High and Basic Plans Tobacco-Free Attestation for Plan Year 2012* by December 7, 2011. The Attestation is available to you:

- ◆ Online at www.sib.ok.gov or www.healthchoiceok.com
- ◆ Included with your *Option Period Enrollment/Change Form*
- ◆ By calling HealthChoice Member Services at 1-405-717-8780 or toll-free 1-800-752-9475. TDD users call 1-405-949-2281 or toll-free 1-866-447-0436.

If you cannot complete the tobacco-free Attestation because you and/or your covered dependents are not tobacco-free, you can still qualify for the HealthChoice High or HealthChoice Basic plan if you can show proof of an attempt to quit using tobacco or provide a letter from your doctor. To qualify for the tobacco-free plans, you must provide one of the following:

- ◆ A letter from Alere Wellbeing indicating you and/or your covered dependents have enrolled in the quit tobacco program available through the Oklahoma Tobacco Settlement Endowment Trust (TSET) and Alere Wellbeing within the previous 90 days.
- ◆ A letter from Alere Wellbeing indicating you and/or your covered dependents have completed the quit tobacco program available through the Oklahoma Tobacco Settlement Endowment Trust (TSET) and Alere Wellbeing within the previous 90 days.
- ◆ A letter from your doctor indicating it is not medically advisable for you or your covered dependents to quit tobacco.

The letter from Alere Wellbeing or your doctor must be provided to HealthChoice, 3545 N.W. 58 Street, Suite 110, Oklahoma City, OK 73112 by December 7, 2011. Be sure to write your name and member ID number located in *Section A* of your pre-printed *Option Period Enrollment/Change Form* on your letter. If you do not or cannot complete the tobacco-free Attestation or provide one of the letters described previously, you and your covered dependents will be enrolled in the new HealthChoice High Alternative Plan or Basic Alternative Plan.

HealthChoice Pharmacy Benefit

- ◆ Two 90-day courses of certain prescription tobacco cessation products will be covered at 100% with no cost to members.

- ◆ Change beneficiaries (not limited to Option Period)

Beneficiary Designation

Benefits are paid to your beneficiary in a lump sum. Your beneficiary designation can be changed at any time. For a *Beneficiary Designation Form* or more information, contact HealthChoice Member Services. See *Help Lines* on page 28 of this Guide. This form is also available on the HealthChoice website at www.sib.ok.gov or www.healthchoicework.com. Be aware that life insurance benefits for covered dependents are always paid to the member.

HEALTH SAVINGS ACCOUNTS

A Health Savings Account (HSA) is an individually owned savings account that allows you to set aside money for health care tax-free whenever you select an HSA qualified High Deductible Health Plan (HDHP). Money left in the account can accumulate interest tax-free and money used to pay for qualified medical expenses can be paid tax-free. Through your employer's Section 125 plan, you can make HSA contributions on a pre-tax basis up to the yearly maximum allowed.

SOME HIGHLIGHTS OF HSAs

- ◆ HSA contributions are tax-free.
- ◆ Interest accrues tax-free.
- ◆ Interest earned is applied to your account starting with the first dollar contribution.
- ◆ Withdrawals are not taxed when funds are used for qualified medical expenses.
- ◆ You decide when and how to use your money.
- ◆ No "use it or lose it" requirement meaning whatever deposits you make each year can be left in the HSA to earn interest and to be available to pay for future medical expenses.
- ◆ You can pay for qualified medical expenses on yourself, your spouse, or your tax dependents regardless of whether or not they are covered by your health plan.
- ◆ No matter where you go, your account follows you. Even if you change jobs, change medical coverage, become unemployed, move to another state, or change your marital status, your HSA goes with you. You own it!
- ◆ If you do not remain a qualified individual, you can continue to earn interest and pay for qualified medical expenses as long as there are funds in your account.

CONTRIBUTIONS

You can contribute up to the annual maximum amount allowed by law in any given tax-year. The IRS establishes the maximum amounts on an annual basis. The 2011 maximum allowable is \$3,050 for an individual or \$6,150 for a family. Effective January 1st 2012 the maximum allowable will increase to \$3,100 for an individual or \$6,250 for a family. If your HDHP is effective on a date other than January 1 and you wish to make the maximum contribution, you must meet certain requirements. Visit www.afhsa.com for more information.

If you are age 55 and older, you are eligible to make an additional catch-up contribution of \$1,000 per year. An HSA is owned by one individual, so if you and your spouse are covered under the family HDHP and both of you are age 55 or older, only you as the owner of the account can make the catch up contribution. Your spouse would be required to establish his or her own HSA to make catch-up contributions.

QUALIFIED MEDICAL EXPENSES

There are many expenses that qualify for tax-free distributions. For a listing, you can refer to the HSA Eligible Expenses listed on www.afhsa.com. If you use funds for any expenses that are not eligible, then the funds withdrawn are subject to income taxes and a 20% additional tax penalty. The non-qualified distributions must be reported on your annual income tax return.

Additional information on eligible expenses can be found in IRS Publication 502 at www.irs.gov. Even though Publication 502 is a valuable resource on what qualifies as a medical expense, it addresses only what expenses are deductible.

MAKING WITHDRAWALS FROM YOUR HSA

You can withdraw funds from your account in three ways:

1. HSA Debit Card
2. On-Line Distribution Request
3. Distribution Form

You can use the money from your HSA as follows:

1. You can only use the funds that have been deposited.
2. You can withdraw funds for qualified medical expenses incurred after the date your account is established.
3. You may elect to make withdrawals from your HSA when expenses are incurred, or you may make withdrawals for these expenses anytime in the future. There is no time limit.

In order to receive the tax benefit, the IRS requires that you keep records to prove that your HSA funds were used to pay for qualified medical expenses and that the qualified expense was not reimbursed from another source. Although you are not required to send your receipts with your tax returns, keeping your receipts with your tax information is an excellent way to ensure proper documentation. You will receive two forms each year as a result of having an HSA: 1) a 1099-SA which shows the total distributions from your account will be mailed by January 31, and 2) a 5498-SA which shows total contributions to your account will be mailed by May 31. Each of these forms will also be sent to the IRS.

ELIGIBILITY REQUIREMENTS

To be eligible to establish and contribute to an HSA, you must meet the following requirements:

1. You must be covered by an HSA-qualified HDHP.
2. You cannot be claimed as a dependent on anyone else's tax return.
3. You cannot be covered under a non-HDHP coverage other than "permitted coverage" or "permitted insurance" and/or preventative care. Products such as Cancer, Accident, Long Term Care, and Disability Income are usually considered permitted coverage/insurance. Check with your employer or visit www.irs.gov to be sure.
4. You cannot have a general purpose Health FSA-Medical Reimbursement Account. However, you can have a Limited Purpose Health FSA which allows for dental and vision reimbursement only should your employer offer this benefit. Note: If you are covered under your spouse's general purpose Health FSA, then you are not eligible to establish and contribute to an HSA.
5. You cannot be enrolled in Medicare.

INTEREST & ACCOUNT FEES

HSA deposits are invested in a money market account and all interest is applied to your account. The monthly maintenance fee is waived as long as you continue to be employed by the State of Oklahoma. This fee covers unlimited account withdrawals, the debit card, and other investment funds for balances above the minimum \$2,500 required in the money market account. A \$15 fee will also apply for an additional or replacement debit card.

SUMMARY

HSAs give you the savings potential, flexibility, portability, and tax savings unlike any other savings account. By enrolling in a qualified HDHP, you save on premiums. By investing those savings into an HSA, you can save for medical expenses in the future.

Individuals who elect an HSA with us will receive a welcome packet outlining all the information associated with the account. This flyer is meant to provide you high level information on HSAs. For more information on HSAs visit our website at www.afhsa.com. There you will find an overview specific to employees/individuals along with other helpful information. You can also find additional information about HSAs in the IRS Publication 969 at www.irs.gov.

INSTRUCTIONS AND ELIGIBILITY

Former employees (retired, vested, and non-vested), COBRA participants, and surviving dependents can make certain changes during Option Period:

Former employees and surviving dependents can:

- ◆ Change health and/or dental plans that are currently in place
- ◆ Drop coverage and/or dependents
- ◆ Decrease life insurance coverage
- ◆ Enroll in or change vision plans

COBRA participants can:

- ◆ Add eligible dependents up to age 26
- ◆ Add or change coverage (health, dental, and/or vision) as long as your former employer participates in that benefit
- ◆ Drop benefits and/or dependents

The benefits you select will be in effect from January 1, 2012, through December 31, 2012. After enrollment, the plans you have selected will provide more information about your benefits.

Once enrolled in any of the plans, it is your responsibility to review your benefits carefully so you know what is covered, as well as the plan's policies and procedures, before you use your benefits.

Dependents

If one eligible dependent is covered, all eligible dependents must be covered. You can choose not to cover dependents who do not reside with you, are married, are not financially dependent on you for support, have other group coverage, or are eligible for Indian or military health benefits. Eligible dependents include:

- Your legal spouse (including common-law).
- Your daughter, son, stepdaughter, stepson, eligible foster child, adopted child, or child legally placed with you for adoption up to age 26, whether married or unmarried.
- A dependent, regardless of age, who is incapable of self-support due to a disability that was diagnosed prior to age 26. Subject to medical review and approval.
- Other unmarried dependent children up to age 26, upon completion of an *Application for Coverage for Other Dependent Children*. Guardianship papers or a tax return showing dependency may be provided in lieu of the application.
- ◆ If your spouse is enrolled separately in one of the OSEEGIB plans, your dependents can be covered under one parent's health, dental, and/or vision plan (but not both); however, both parents can cover dependents under Dependent Life insurance.
- ◆ Dependents can only be enrolled in the same types of coverage and in the same plans you have.
- ◆ To enroll your newborn, a letter requesting coverage of the newborn must be sent to OSEEGIB within 30 days of the birth. If you are a former employee or surviving spouse and do not enroll your newborn during this 30-day period, you cannot do so at a later date. If you are a COBRA participant and do not enroll your newborn during this 30-day period, you will not be able to do so until the next annual Option Period. Direct notification to a plan will not enroll your newborn or any other dependents. The newborn's Social Security number is not required at the time of initial enrollment, but must be provided once it is received from the Social Security Administration. Insurance premiums for the month the child was born must be paid. Under the HealthChoice plans, a separate deductible and coinsurance may apply.
- ◆ Without enrollment, newborns are covered only for the first 48 hours following a vaginal birth or the first 96

hours following a cesarean section birth. Deductible and coinsurance may apply.

Excluding Dependents From Coverage

- ◆ You can exclude your spouse from health and/or dental coverage while covering other dependents on these benefits. Your spouse must sign the *Spouse Exclusion Certification* section of the *Option Period Enrollment/Change Form*.
- ◆ You can exclude your spouse or other dependents who do not reside with you, are married, are not financially dependent on you for support, have other group coverage, or are eligible for Indian or military health benefits.

Note: Your spouse cannot be excluded from vision coverage if your other dependents are covered unless your spouse has proof of other group vision coverage.

COBRA Coverage

COBRA coverage may be available to dependents who become ineligible. Examples of COBRA qualifying events for dependents include:

- ◆ Reaching age 26 (applies only to dependent children)
- ◆ Divorce of a spouse
- ◆ Death of the covered employee

Important Information About Becoming Eligible for Medicare

Eligible for Medicare Prior to Turning 65

If you are under age 65 and become eligible for Medicare, you must notify OSEEGIB to begin the enrollment process into a Medicare supplement or Medicare Advantage Prescription Drug (MA-PD) plan. You will be asked to provide your Medicare ID number as it appears on your Medicare card. Depending on the plan you're enrolled in, you may have different options for your Medicare supplement or MA-PD coverage. Your Medicare supplement or MA-PD coverage will become effective the date you become eligible for Medicare or the first of the month after you complete the enrollment process, whichever is later.

Aging into Medicare

About two months before you or one of your eligible dependents turn 65, OSEEGIB will send you a letter that explains the Medicare plan options available to you. The letter will also provide instructions on how to enroll with a Medicare supplement or MA-PD plan.

If you are enrolled in HealthChoice, you will automatically be enrolled in the HealthChoice Employer PDP High Option Medicare Supplement Plan With Part D. If you are enrolled in an HMO, you can enroll in either its Medicare supplement (if available) or MA-PD Plan (if available in your service area). If you or one of your dependents will soon become Medicare eligible, watch your mail for this important enrollment information.

All Medicare Eligible Members

OSEEGIB Rules state that all covered individuals who are eligible for Medicare, except current employees, must be enrolled in a Medicare supplement or MA-PD plan offered through OSEEGIB, regardless of age. To maximize your benefits, you need to enroll in Medicare Part B. The HealthChoice Medicare Supplement plans do not require you to be enrolled in Part B, but pay as though you are enrolled in Part B. All other Medicare supplement plans and MA-PD plans offered through OSEEGIB **require** you to have both Medicare Part A and Part B.

Notice of Creditable Coverage

If you're a former employee who is already eligible or will soon become eligible for Medicare, you may be hearing a lot about Medicare Part D prescription drug plans and Creditable Coverage.

The term Creditable Coverage as it applies to Medicare Part D simply means that the prescription drug benefits of an insurance plan meet certain standards that have been set by the Centers for Medicare and Medicaid Services (CMS).

All HealthChoice prescription drug benefits meet or exceed the standards set by CMS; therefore, the HealthChoice plans provide our members with Creditable Coverage. Additionally, all other health plans offered through OSEEGIB provide Creditable Coverage.

Since you have Creditable Coverage through one of the plans offered through OSEEGIB, you will not be subject to Medicare's late enrollment penalty for Part D if you decide to drop your coverage through OSEEGIB and enroll in another Medicare Part D prescription drug plan.

For more information about Creditable Coverage for Part D, contact HealthChoice Member Services. See *Help Lines* on page 28.
