

Executive Action – Veto

portation pursuant to disclosure of terms of bids. Requires the department to publish all engineering estimates at least 10 days prior to the bid submission closing date. Effective Date: 07/01/96; 05/01/96 Governor Action - Veto.

GOVERNOR'S VETO MESSAGE: (05/01/96) This is to advise you that, pursuant to the powers vested in me, I have VETOED SB987. The procedure provided for in this bill creates an exception, applicable only to the Department of Transportation, to the safeguards relating to the bidding process in this State. The awarding of multi-million tax dollar contracts by a state agency is a serious responsibility which must

be carefully regulated and monitored. It is in the best interest of the citizens and taxpayers of this state to keep in place all procedures which assure an equitable and ethical bidding process.

SB 988 Principal Author(s): Dunegan, James; Stipe, Gene; Requires the Dept. of Transportation to issue permits for multi-state oversize and overweight vehicles. Designates specific routes for vehicles operating under such permits. 05/07/96, Governor Action - Veto.

GOVERNOR'S VETO MESSAGE: (05/07/96) This is to advise you that on this date, pursuant to the au-

thority vested in me, I have VETOED SB 988. This bill violates the provisions of the Oklahoma Constitution that delegates authority to regulate certain types of truck permits to a private non-governmental entity. This legislation mandates the Department of Transportation to accept truck weight load limits set by the private entity without regard to concerns about the effect such limits may have on Oklahoma streets, roads, bridges, and highways. Current law authorizes the Department of Transportation to enter into regional truck permit agreements when it is practical and feasible for the state.

Secretary of State
