- Section 37. Makes the appropriation available for expenditure for two fiscal years.
- Section 38. Effective date September 1, 1996.

BILL SUMMARY HB 1782

OKLAHOMA CENTER FOR THE ADVANCEMENT OF SCIENCE AND TECHNOLOGY

- Section 1. The Oklahoma Center for the Advancement of Science and Technology shall allocate \$300,000.00 of its annual appropriation to support qualified research and development partnership projects involving two-year or four-year institutions of the Oklahoma State System of Higher Education with persons, entities, cooperative programs, or with Oklahoma industry, as long as the Oklahoma Center for the Advancement of Science and Technology annual appropriation does not go below \$9,000,000.00. In the event this allocation exceeds the amount required to support such projects which are to be determined by the end of each fiscal year, the Oklahoma Center for the Advancement of Science and Technology may allocate the amount in excess for other authorized purposes.
