LAWMAKERS APPROVE MIDTERM FUNDING PLAN

By Shawn Ashley & Brandon Beard
Staff Writers

■(GIT) State lawmakers on Thursday approved a plan designed to address one of the biggest disputes of the past two legislative sessions: Midterm school funding.

"Basically," Rep. Jack Begley, D-Goodwell, chairman of the House's General Conference Committee on Appropriations' subcommittee on education, said, "this is a move toward current year funding, where there will no longer be a need for midterm adjustments."

Touted as a permanent solution to the midterm funding dilemma, which attempts to adjust allocations to state schools to accommodate growth in enrollment, **HB2055**, which passed the House and the Senate, includes the following provisions:

- ✓ Reduces from 20 to 10 the number of consecutive days a student can be absent without excuse after which a student will no longer be included in the average daily membership calculation for the school district;
- ✓ Stipulates that beginning with the

Rep. Jack Begley

1996-97 school year that class size penalties shall not be applied if class size is exceeded beginning after the first nine weeks; if class size limitations are exceeded during the first nine weeks, then class size penalties will apply;

- ✓ Limits the current method of determining State Aid Formula allocations until the 1997-98 school year; provides for the calculation methodology for the 1996-97 supplemental funding to include funds for all student growth, membership greater than

1.5 percent receives full funding and membership growth less than 1.5 percent receives partial funding; also requires the department of education to develop and implement a student identification system specifically for the purpose of reporting enrollment data by school sites and school districts to establish a mobility rate and for the allocation of State Aid and midyear adjustments in funding student growth by July 1, 1998;

- ✓ Revises the State Aid Formula so that

LEGISLATURE APPROVES RURAL ECONOMIC ACTION PLAN

By Shawn Ashley & Brandon Beard
Staff Writers

■(GIT) A plan to pump \$17 million into rural economic development efforts passed the House and the Senate on Thursday, nine days after legislative leaders and the governor announced their agreement on the proposal.

HB1434, by Reps. Randall Erwin, D-Nashoba, and Mike Mass, D-Hartshorne, and Sen. Frank Shurden, D-Henryetta, establishes the so-called Rural Economic Action Plan, or REAP, a program designed to enhance economic development in communities of less than 7,000 residents. The bill won House approval by a 91-6 vote and passed the Senate by a vote of 40-6.

The funding mechanism for the program, **HB2830**, by Reps. Jim Hamilton, D-Poteau, and Dwayne Steidley, D-Claremore, and Sens. Cal Hobson, D-Claremore, and Enoch Kelly Haney, D-Seminole, also passed the House by a vote of 91-7 and the Senate by a vote of 42-4.

The \$17 million included in the funding bill — \$5 million to the State Treasurer for general economic development; \$4.5 million to the Water Resources Board for water and sewer improvements and \$7.5 million to the Department of Transportation for road and highway improvements — will be divided equally among ten regions within the state as defined by the so-called COGS, or local government organizations.

That means, Erwin noted, small towns within each of the ten areas will divide \$1.7 million among them.

While a part of the legislative-executive budget agreement announced a little more than one week ago, passage of the bills, particularly in the House, followed some contentious debate.

Rep. Randall Erwin

beginning with the 1997-8 school year, State Aid will be based on current year chargeable revenue and the highest weighted average daily membership for the first nine weeks of the current school year, the preceding school year or the second preceding school year; establishes the procedure for determining State Aid; applies the teacher experience and degree calculation to the Foundation Aid component of the State Aid Formula; requires the department of education to retain at least 1.5 percent of the funds appropriated for State Aid to pay for midyear adjustments due to increased enrollment; requires the Tax Commission and Commission of the Land Office to make reports monthly to the Department of Education specifying the apportionment of state dedicated revenues and school land monies;

✓ Effective with the 1997-98 school year, establishes the new method for determining the weighted pupil grade level calculation, the weighted pupil category calculation, the weighted district calculation and the weighted teacher experience and degree calculation based on the highest weighted average daily membership for the first nine weeks of the current school year, the preceding school year or the second preceding school year;

✓ Expands the purposes for which a school district may request a student's So-

cial Security number to include determining student enrollment, to establish a mobility rate for the allocation of State Aid Formula and midyear adjustments for student growth funding; and authorizes the department of education to develop an alternative accountability system for student identification for those purposes; and

✓ Requires the State Department of Education to provide written notification by July 10, 1996, to each school district describing the changes in State Aid funding provided in the bill.

"This is the agreement to the permanent fix," Sen. Don Williams, D-Balko, told fellow senators.

While there was no discussion of the measure in the House, questions were raised about language in the bill relating to the establishment of a mobility rate for students. Williams said the concept is to ensure students are only counted once in the funding formula.

"We're trying to make sure we're not paying for a student twice," he said.

Begley reiterated that position while speaking to reporters.

"Eventually, we are looking to implement a tracking system or reporting system that will allow us to look at enrollment numbers without having to do a hand count," he explained. "We'll be able to call up a student (by Social Security number) and it won't show that he's enrolled in two or three schools."

Begley said such a system, in light of currently available technology, may be easier to implement than first thought. If so, he added, the \$1.5 million allocated to implementing the student tracking system should be more than enough.

The midterm funding proposal passed the House by a vote of 98-0. The bill also passed the Senate by a 44-1 vote.

In addition to approving the midterm funding plan, both houses of the legislature passed bills to make midterm money available for the past two academic years, as well as for the 1996-97 school year.

Money for the 1996-97 school year — \$15 million — will come from the state's general revenue fund under the terms of **SB834**. The bill passed the House by a vote of 99-0 and cleared the Senate on a 42-0 vote.

The bill also includes general revenue fund appropriations of \$6.3 million for midterm adjustments for the 1994-95 school year and \$6.7 million for the 1995-96 school year.

HB2824 provides the remaining funding for the 1994-95 and 1995-96 school years from the Rainy Day fund. Some \$6.3 million was appropriated from the account for the 1994-95 school year, while an additional \$6.7 million will be drawn from the Rainy Day account for the 1995-96 school year.

That bill was approved by the House in a 90-8 vote. The bill passed the Senate by a vote of 44-1.

1997-98 SCHOOL YEAR STATE AID FORMULA

Revisions in the State Aid Formula are to take effect July 1, 1997 and include the following changes:

Current Formula

Uses the highest weighted ADM of the two preceding school years

Applies the Teacher Experience and Degree Index only to the Salary Incentive component of the formula

Uses the adjusted assessed valuation of the next preceding year and chargeables revenues of the second preceding school year

Calculates tentative State Aid allocation in July and by June makes an adjustment for student growth

Revised Formula

Uses the highest weighted ADM of the first nine-weeks of the current school year, the preceding school year or the second preceding school year

Applies the Teacher Experience and Degree Index to the Foundation Aid and the Salary Incentive components of the formula

Uses the adjusted assessed valuation of the current school year and chargeables revenues of the preceding year

Calculates initial State Aid allocation in July and calculates final State Aid allocation in December

All other aspects of the State Aid Formula remain unchanged

the charge against adoption of the measure's conference committee report in the House. Urging members to consider the intent of the bill — "to bring jobs to rural Oklahoma" — Pettigrew argued that larger rural communities, such as Miami, Guymon, Weatherford, McAlester and others, would be able to do more with the money than would communities of 7,000 people or less.

Rep. Wayne Pettigrew

"The question is whether you just want to put some money out there or whether you're looking to pass a true economic development bill," the Edmond Republican said, suggesting that the population limit be increased from 7,000 to 20,000.

For Rep. Robert Worthen, R-Oklahoma City, the concern was how the money might otherwise be used.

"Did you know," Worthen asked Erwin, "that state agencies have requested \$560 million more than we're going to have?" After Erwin said that he did not know that, Worthen pressed, "So this is money we're not going to be able to consider for the corrections department, child abuse prevention and other programs?"

"If you think \$17 million is too big of an investment in rural Oklahoma, I don't know what to tell you," Erwin replied.

As would later be reflected in their votes, however, the vast majority of the representatives supported the bill, and many spoke out in favor of it.

Rep. Larry Adair, D-Stilwell, told the House, "There aren't too many times we get to do something that will affect as many people as House Bill 1434 is going to affect. This is an opportunity to assist communities we normally don't get to assist."

That, he said, was important, "because some of our constituents feel like no one is really concerned about them in Oklahoma City."

Rep. Tommy Thomas, D-Atoka, told his fellow House members that many communities find themselves desperately in need of funds. "Then, \$12,000 might as well be \$12 million," he said. "This gives them access to some money, money that's not going to be available any other way."

If pitted against larger communities in a battle for the money, Thomas said in advance of Pettigrew's argument, "The money is going to go to the larger communities and the small communities are going to lose out."

Thomas also reminded those in the Legislature that they had helped the urban areas, such as Tulsa and Oklahoma City, in the past. "Now we're asking for something for the smaller communities," he said.

Referring to the Broadway production of *Lil' Abner*, based on the comic strip of the same name, Rep. Bill Paulk, D-Oklahoma City, urged lawmakers not to apply 'General Bullmoose-thinking' to bill. That kind of thinking, Paulk explained, follows the idea of the slogan in the play, "What's good for General Bullmoose is good for the USA. We tend to think that way about Oklahoma City and Tulsa, but that's not always true."

Also urging the adoption of the conference committee report was Mass, who told members, "To watch a small community die over a period of 20 or 30 years is a bad thing."

The co-author of the bill added that if he could, he would have lowered the size of the communities eligible for the program even more, perhaps in the 3,000 resident range. "I want to help people having the hardest time helping themselves."

House majority leader Rep. Loyd Benson, D-Frederick, said, too, that small communities would suffer if larger communities were allowed to compete for the funds.

"If you want to gut, to cut the legs out from under this bill, to neuter it, vote against the conference committee report," he said. "But if you want to help small towns in rural Oklahoma, I urge you to vote for it."

Responding to Pettigrew's argument to increase the ceiling for those communities eligible for the funding, Erwin said in his closing that one needed only to visit the larger rural communities "to see that they are doing well, because they are able to get other money to address their needs."

"What we want to do now," he concluded, "is to help the smaller communities."

And the vast majority of representatives agreed, adopting the conference committee report by an 87-11 vote. Passage of the bill followed by a 91-6 vote, with mostly Oklahoma City Republicans voting against the measure.

There was no debate among House members of the funding bill, HB2830, which received easy passage.

The concerns about HB1434 were some-

what different in the Senate, where Sen. Dave Herbert, D-Midwest City, voiced the most objection to the bill.

Sen. Dave Herbert

Referring to the \$4.5 million to be administered through the Water Resources Board, Herbert said the legislature was on the verge of creating a massive bureaucracy.

"This will put the burden on the state to provide funding for things that the counties should raise the money to do themselves," he said. "I think we are creating something that will become a bureaucracy, that, in time, will create a sizable hole in our boat."

But Herbert's position was countered by Sen. Gene Stipe, D-McAlester, who said, "This is local government at its best."

Stipe went on to call the program "a mechanism that puts revenue back into small communities."

Herbert said he was going to vote for the bill and "keep an eye on it." He did indeed vote for it, but then cast one of only four Senate votes against the program's funding mechanism, HB2830.

RETIREES' TAX CUT PASSES HOUSE

**By Shawn Ashley
Staff Writer**

■(GIT) Private sector retirees are a step closer to equality with public sector retirees after passage on Thursday of **HB1621** by the House of Representatives.

Authored by Lawton Democrat Ron Kirby, the bill phases in a \$5,500 tax exemption for private sector retirees at the rate of \$1,100 per year over five years. At the end of that period, private sector retirees will be entitled to the same tax exemption afforded public sector retirees.

The proposal was one of several planned tax cuts announced last week by Governor Frank Keating and a bipartisan group of lawmakers from both legislative houses.

Although endorsed by every member voting in Thursday's House session, the bill's trip across the floor was less than easy.

A second conference committee report for the bill was on the verge of adoption when Kirby asked without explanation that the

RAINY DAY FUND APPROPRIATIONS APPROVED

By Shawn Ashley
Staff Writer

■(GIT) Lawmakers in both houses gave their approval on Thursday to appropriations totaling \$22.6 million from the state's Rainy Day Fund.

The House voted 90-8 and the Senate followed with a 44-1 vote for **HB2824**. The bill makes appropriations to a variety of state agencies from the Rainy Day Fund.

The bill mirrors an agreement announced last week by legislative leaders from both houses and parties and Governor Frank Keating.

Appropriations in the bill include:

- ✓ \$6.3 million for 1994-95 midterm funding;
- ✓ \$6.7 million for 1995-96 midterm funding;
- ✓ \$1.5 million for a student tracking system;
- ✓ \$1.6 million for rural fire departments;
- ✓ \$1 million for weather modification;
- ✓ \$1 million for the governor's emergency fund;
- ✓ \$2.9 million to cover the costs of converting the Medicaid system to a managed care program;
- ✓ \$1.19 million for an Oklahoma Highway

way Patrol Academy and to purchase vehicle for the new troopers; and

✓ \$320,428 for National Guard armory maintenance.

House speaker Glen Johnson, D-Okemah, hailed the bill's passage as another step in a bipartisan effort toward addressing the state's immediate financial needs and toward an orderly adjournment.

Members of the Senate also praised specific components of the bill.

"I think we can be proud of the fact that we've solved the midterm funding problem and pumped some much needed funding into our growing public schools," said Sen. Don Williams, D-Balko. "It's a big step forward, but it's only the first step in our education investment program."

Sen. Bruce Price, D-Hinton, said the money appropriated for rural fire departments "will help save lives and property. Our rural fire departments have been stretched to the limit and they're in dire need of any and all help we can give them."

Citing the damage done by the ongoing drought, Sen. Robert Kerr, D-Altus, said, "... anything we can do to help our farmers is welcome. The cloud seeding may not help this year's wheat crop, but it can help other alternative crops that could be planted for summer growth. It will make a great difference for farmers who are on the edge."

Praising the appropriation to the Medicaid system, Sen. Ben Robinson, D-Muskogee, said, "The appropriation for Medicaid is an investment that will save us money in the long run. It will help us fully convert to a managed care system that is saving us \$17 million this year alone."

The appropriation for a Oklahoma Highway Patrol academy, Sen. Sam Helton, D-Lawton, said, "... will allow the department to fill their needs."

"We're really fixing an emergency situation at the OHP. They need new vehicles and new troopers to provide the kind of law enforcement that's vital to public safety."

Governor Frank Keating indicated his support for the Rainy Day proposal earlier this month when he and a bipartisan group of legislative leaders announced the terms of a three-part budget agreement.

"A great deal of learning can be packed into an empty head."

AG PROCESSING TAX CUT PASSES HOUSE

By Shawn Ashley
Staff Writer

■(GIT) House members voted 96-0 on Thursday to advance another portion of the tax cut program agreed to by a bipartisan group of lawmakers and the governor.

HB2959, by Rep. Clay Pope, D-Loyal, provides the so-called value added tax cut. The bill exempts certain investments in value added agricultural processing from taxes.

Specifically, the tax exemptions include:

- ✓ An exemption equal to 15 percent of the investment by the owner in the new or expanded processing facility; and
- ✓ An exemption equal to 30 percent of the investment by Oklahoma agricultural producer-owned cooperatives, processing venture or marketing associations.

In an unusual chain of the events, the bill actually passed the House twice in the same day. House members had to reject their first vote on the bill after what was called a minor wording problem was found. That sent the bill back to conference committee.

After the problem was corrected, a third conference committee report was produced, accepted and the bill was passed.

The bill is expected to receive easy passage in the Senate, where leaders there have endorsed the proposal, and a signature from the governor, who has also praised the tax cut idea.

report be rejected and the bill returned to committee for further conference. The request was granted by unanimous consent.

The bill returned to the House floor sometime later, and Kirby said the delay was necessary to correct some wording in the bill. The new wording in the third conference committee report (page 19, lines 2-6) allows public sector employees to also take advantage of the tax exemption as long as their combined exemption does not exceed \$5,500.

House members readily accepted the third conference committee report and gave the bill a 97-0 passing vote.

"I am very glad we won this struggle," Kirby said. "It was a frustrating battle, but the issue of fairness was too important to allow this bill to fall by the wayside."

Rep. Chris Hastings, R-Tulsa, was also pleased with the bill's passage. Earlier this month, Hastings held a mock funeral for a bill that contained a similar provision.

"One month ago I was told there was enough money to do this," Hastings said. "This bill shows that the process works."

HOUSE REJECTS PAWN SHOP CONFERENCE COMMITTEE REPORT

By Shawn Ashley
Staff Writer

■(GIT) The House on Thursday rejected the second conference committee report for the so-called pawn shop bill.

Originally designed to limit the number of pawn shops in Oklahoma communities,

Rep. Ron Kirby

the bill was reformed to require only a higher net asset value for those who apply for a pawn shop license, **HB2172's** author Rep. Ron Kirby, D-Lawton, told the House.

It was that very element, however, that appeared to persuade a majority of House members to vote 37-59 against acceptance of the bill's second conference committee report.

Rep. Dan Ramsey, R-Chickasha, called the definition "one of the most unusual I have every seen." As defined by the proposed bill, net assets "include the investment made in cash, bank deposits, merchandise inventory, and loans due from customers excluding the pawn service charge." Excluded from the definition by the proposed measure were "investments made in fixed assets or real estate, furniture, fixtures, or equipment, investments made in stocks, bonds, or other secu-

rities, or investments made in prepaid expenses or other general intangibles."

Kirby defended the definition, particularly that part dealing with securities, saying, "Some of these investments are not as liquid as some of you would want us to believe."

The Lawton Democrat said the point of the bill was to protect pawn shop customers by establishing a minimum investment level that would insure the customers could recoup their property if the pawn shop was forced to shut its doors.

Ultimately, he said, "It's a sugar coated bill. It's easy to swallow and it's not going to get you in trouble with your constituents."

That was not the view, however, of Ramsey, who said, "I'm going to have a hard time explaining why someone with \$1 million invested in stocks is not qualified to obtain a pawn shop license. Isn't that worth just as much as cash in the bank?"

Rep. Richard Phillips, R-Warr Acres, told Kirby that he might actually be driving away those he was hoping to attract to the industry.

"If you're looking to attract prudent people to the industry, I don't think you're going to do it by saying they have to take their \$50,000 or \$100,000 and put it in the bank and get three percent interest."

Kirby's arguments to the contrary failed to sway a majority of the House's members and the conference committee report was rejected.

BUSINESSES, CITY CHAMBER AND GOVERNOR BRING AMERICAN AIRLINES JET SERVICE BACK TO OKLAHOMA CITY

By Marta McCloskey
Staff Writer

■(GIT) After a series of meetings between officials of the Oklahoma City Chamber of Commerce, Governor Frank Keating and representatives of American Airlines, an announcement was made Thursday by the airline to restore jet service to Oklahoma City.

Lieutenant General Richard Burpee from the Chamber, along with efforts of Keating's office and the State Department of Commerce, had asked local businesses "What increased level of business would American Airlines receive if they restored jet service to Oklahoma City?" Apparently, the response was positive. "We received pledges from high-ranking officials that revenue performance would improve," Jack Williams,

American's vice president and general sales manager added, "Those leaders, including Burpee, came to us with specific business plans that show genuine support for American jet service on the Oklahoma City-Dallas/Fort Worth route. It's a decision based on solid business principles and we are excited about bringing service back."

Burpee explained that the Chamber asked American to review a 5-year, \$10 million economic development plan targeted to put money back into Oklahoma City. With funds raised privately, the plan would include a national marketing campaign, promotion of a pro-business environment through legislation, the expansion of existing business, implementation of infrastructure technology transfer, the expansion of international mar-

VETOED BILLS MAY LIVE AGAIN IN SPEED LIMIT MEASURE

By Brandon Beard
Staff Writer

■(GIT) Two bills vetoed by Governor Frank Keating this week may reappear before the Legislature adjourns. The two bills, **SB988**, by Sen. Ted Fisher, D-Sapulpa, and **SB1017**, by Sen. Frank Shurden, D-Henryetta, may be incorporated into **SB685**, the measure that would statutorily set the state's speed limits, among other things.

The Fisher measure, SB988, would direct the Oklahoma Department of Transportation (ODOT) to issue permits for multi-state oversize and overweight vehicles. It would also designate specific routes for vehicles operating under those permits.

Keating vetoed the measure, he said, because it violates the state constitution, as it delegates the authority to regulate the special permits to a non-governmental entity.

"This legislation mandates the Department of Transportation to accept truck weight load limits set by the private entity without regard to concerns about the effect such limits may have on Oklahoma streets, roads, bridges and highways," the governor said in his message accompanying the bill.

He also said that current law authorizes ODOT to enter into regional truck permit compacts when it is "practical and feasible for the state."

Sen. Gene Stipe, D-McAlester, called the governor's reason for vetoing the measure "inconsistent." Currently Oklahoma has some 1,500 compacts with other states.

"Somebody on the second floor isn't communicating," he said. "The right hand isn't talking to the left."

Fisher urged the matter to be handled quickly. He said trucks in Louisiana were granted the special permits by ODOT, in anticipation of the problem being fixed by the bill. But, with the measure being vetoed, the vehicles are essentially "trapped."

Transportation Secretary Neal McCaleb told *Capitol Network News*, "If the bill's language were permissive and not imperative, I think it would find favor with the governor."

The other measure, SB1017, by Shurden, was designed to eliminate speed traps on the state's highways. The bill states that the troop commander in charge of a highway patrol troop may designate specified portions of federal aid primary highways and the state highway system to be in the service area of the troop.

American, continued from page 5

kets, the additional involvement of private business in the MAPS project, the expansion of Tinker Air Force Base and a management plan to move Oklahoma City economically forward. This was coupled with letters of intent from businesses pledging their commitment to better utilize American's services.

Tim Smith, Tulsa American Airlines spokesperson, said the "verbal assurance" by Burpee and the Governor was targeted towards business, because business markets yield more than leisure markets. He also added that there would be no "if, then" scenarios. In other words, if the plan did not meet the expectations of the airline, they would not cut-back or withdraw jet service.

The new jet service flight schedule will begin August 1, with American initially offering three round-trip flights each day, using its 97-seat Fokker F-100 jets. Later, on September 4, the airline will add two more round-trips, making a total of five round-trip flights a day between Oklahoma City and Dallas-Fort Worth.

Williams explained that American Eagle will continue to serve the route with 16 round-trips to Dallas. However, he said that initial plans call for that number to be reduced as jets are re-introduced on the route. Under that scenario, Eagle would fly 13 round-trips effective August 1, and 11 effective September 4.

In addition to reinstating jet service, American will provide 200 round-trip tickets to Denver for families of the Oklahoma City bombing to attend the upcoming trial. "This is something American and American Eagle employees told us they wanted to do for the families of the victims," Williams said. "We are more than happy to make it happen. It is our way of supporting the families during what will likely be a difficult time."

MORE FROM THE HOUSE FLOOR, THURSDAY, MAY 16

By Shawn Ashley

■(GIT) In one of its busiest work days in recent weeks, the House took the following action on Thursday:

HB2403, by Rep. Dwayne Steidley, D-Claremore, modifying deposits to the Attorney General's Revolving Fund and to the Attorney General's Evidence Fund, received a passing vote of 99-0 with an emergency clause after the adoption of the measure's conference committee report.

HB2414 received a 100-0 passing vote with an emergency clause following the adoption of its conference committee report. The bill, by Rep. Bill Mitchell, D-Lindsay, prohibits the transportation of oversize farm equipment by trailer on any highway during the hours of darkness.

HB2975, prohibiting the requirement for filing paternity affidavits when consent for adoption has been given, by Rep. Russ Roach, D-Tulsa, received a passing vote of 92-0 with an emergency clause following adoption of its conference committee report.

HJR1101, by Rep. Larry Adair, D-Stilwell, relating to, disapproving and directing the adoption of certain rules of the Department of Mental Health and Substance Abuse Services, received a passing vote of 93-5 after the House accepted the measure's conference committee substitute by unani-

mous consent.

HR1069, by Rep. Glen Johnson, D-Claremore, was adopted by unanimous consent. The resolution declares May "Older Oklahomans Month."

SB1053, by Rep. Mark Seikel, D-Harrah, also received a passing vote of 97-2 after the adoption of its emergency clause. The measure deletes all confidentiality and sealing requirements related to juvenile records.

SB1207, also by Rep. Seikel, authorizing the Department of Human Services to give consent for medical examinations and tests and the release of test results to placement providers, received a passing vote of 99-1 after the adoption of its conference committee report.

Without debate, the House adopted the conference committee report for and gave a 77-20 passing vote to **SB1303**, by Rep. Sean Voskuhl, D-Marshall, modifying the membership of the Advisory Committee on Medical Care for Public Assistance Recipients.

SCR39, thanking the US Olympic Committee for honoring the memory of Jim Thorpe, was also adopted by unanimous consent.

By unanimous consent, also, conference committee reports for the following **House measures** were rejected and further conference requested and granted: **1166, 1672, 2193 and 2964.**

Speed Limit, continued from page 5

Though Keating said he was opposed to speed traps, the bill removed local law enforcement control.

"Speed traps are definitely bad for business, development and tourism, but I have problems with the way the bill was drafted," he said. "The bill creates pockets of the state which would be abandoned by local law enforcement due to lack of authority. I feel this is an issue of local control."

A meeting with Shurden and the governor has been scheduled for Monday to discuss alternative language. Shurden said he would consider giving the commissioner of public safety the authority to designate where the Oklahoma Highway Patrol would have jurisdiction over state highways.

In a move Tuesday, Stipe was successful in sending SB685 back to conference committee with instructions to change the bill's interstate speed limit to 75 mph. Thursday, however, he removed those instructions,

though the bill is still in conference.

McCaleb said, referring to a letter sent to Leftwich from Dr. Alan Soltani, ODOT chief traffic engineer, that he supports the 75 mph limit on rural highways, but not in the metropolitan areas or on four-lane highways.

The letter states that, nationally, speed limits are set based on the 85th percentile speed, representing the percentage of people driving below a certain speed.

"In Oklahoma," McCaleb said, quoting the letter, "the 85th percentile speed for rural interstate highways, posted 65 mph, was 75 mph and for urban interstates, posted 55 mph, this figure was reduced to 68 mph."

Soltani further states in his letter, "...that while 75 mph speed may be warranted in some locations (e.g., rural interstate highways), a 75 mph statewide maximum speed limit for all highways is not advisable."

Leftwich said his bill will likely be addressed by lawmakers next week.

■(GIT) The Senate considered the following additional measures on Thursday, May 16, 1996:

SB699, by Sen. Gilmer Capps, D-Snyder, exempts taxation on sales to or by organizations with whom a church has entered into a contract. It also includes sales to Disabled American Veterans, the Department of Oklahoma, Inc. and subordinate chapters thereof.

The bill was laid over for questioning.

SB729, by Sen. Jerry Smith, R-Tulsa, modifies language relating to licensure of used motor vehicle dealers and manufactured home dealers.

After adopting the bill's second conference committee report, members passed the measure and its emergency clause with a vote of 46 to 0.

SB1106, by Sen. Dave Herbert, D-Midwest City, modifies sections of law pertaining to the Oklahoma State and Education

Employee Group Insurance Board (OSEGIB). It prohibits them from forming their own health maintenance organizations (HMOs).

After adopting the bill's conference committee report, members passed the measure and its emergency clause with a vote of 29 to 12.

SB1123, by Sen. Sam Helton, D-Lawton, modifies list of prescription and non-prescription drugs to be included under Section IV and Section II of the Uniform Controlled Dangerous Substance Act.

The bill was laid over for questioning.

Members also adopted **HCR1099**, by Sen. J.R. "Dick" Wilkerson, D-Atwood. The measure memorializes the service of Private First Class Vernon Sweat.

Also, **SBs 658 and 1200** had their conference committee reports rejected and further conference was requested.

The Senate is scheduled to re-convene at 9:30 a.m. on Monday, May 20, 1996.

NICKLES ANNOUNCES FOR LEADERSHIP POSITION

From U.S. Sen. Don Nickles, R-Okla.

■(WASHINGTON) Oklahoma Senator Don Nickles announced Thursday he is seeking the Assistant Majority Leader position in the Senate Republican Leadership.

"This is a decision that I have been considering for quite some time," Nickles said. "Being a member of the Senate leadership is a real challenge and it provides the opportunity to be involved with all the issues that the Senate considers. I have enjoyed the role I have played with the Republican Policy Committee and hope to continue to help shape the Republican agenda in the Senate."

Nickles, 47, has served in the Senate leadership since 1988, first as Chairman of the National Republican Senatorial Committee and then in 1990 as Chairman of the Republican Policy Committee, the post he now holds. Nickles was first elected to the U.S. Senate in 1980.

COMMERCE DEPARTMENT WELCOMES NEW TRADE REPRESENTATIVE

From Okla. Dept. of Commerce

■(OKLAHOMA CITY) The Oklahoma Department of Commerce Thursday officially welcomed Guillermo Mondlak as its new trade representative in Mexico in ceremony in Mexico City.

Mondlak has been contracted through the International Division of the Commerce department to seek new markets, trade and investment for Oklahoma companies from Mexico interests, according to Kevin Chambers, director of the International Division.

As director of international and new business development of International Business Link, a major project and venture procurement firm, Mondlak has traveled extensively across Latin America. He also serves as a consultant to several international corporations. Educated as a chemical engineer, he holds additional degrees in cost engineering, international marketing and international commerce.

Chambers said Mondlak's contract is performance based and is a more efficient system. "This innovative program works more like business in the private sector and will save the state money. Costs will be spread among those using the services on a

SENATE VETS COMMITTEE CONFIRMS EXECUTIVE NOMINATIONS, ADOPTS RESOLUTIONS

By Brandon Beard
Staff Writer

■(GIT) The Senate Committee on Veterans and Military Affairs met Thursday, confirming five of Governor Frank Keating's executive nominations. Members also adopted two concurrent resolutions before adjourning.

Eldrige Colston, of Marietta, was confirmed to the War Veterans Commission of Oklahoma.

A World War II veteran, Colston was sponsored by Sen. Darryl Roberts, D-Ardmore. He will serve a three year term. He succeeds himself to the position.

Thomas Howell, of Duncan, was also confirmed to the commission. Sponsored by Sen. Bill Gustafson, R-El Reno, in place of the absent Sen. Carol Martin, R-Comanche, he will serve a three year term, succeeding Harold Pinney, who was also nominated to the commission.

Pinney, of Eufaula, will also serve a three year term. He was sponsored by Sen. Frank Shurden, D-Henryetta.

Bill Paxton, of Lookeba, also nominated to the commission, was sponsored by Sen. Bruce Price, D-Hinton. He too will serve a three year term.

Though not scheduled for confirmation until next week, James C. Morton was con-

firmed to the commission. Also sponsored by Gustafson, in place of Martin, he will serve a three year term.

All nominees were unanimously confirmed. Their terms all end on July 1, 1999.

Committee members also adopted **HCR1079**, presented by Roberts. It memorializes Congress to support the State Veterans Home Program. After all committee members were made co-authors, the measure passed with a vote of 6 to 0.

SCR57 was also adopted. It relates to atomic test veterans. It too passed with a vote of 6 to 0.

The committee is scheduled to meet again on Thursday May 23, 1996, after the legislature adjourns for the day.

"Every central government worships uniformity: uniformity relieves it from inquiry into an infinity of details, which must be attended to if rules have to be adapted to different men, instead of indiscriminately subjecting all men to the same rule."

PUBLIC NOTICE

FCC Seeks Comment on Issues Relating to Broadcaster Proposals to Provide Time to Presidential Candidates

From Federal Communications Commission

■(WASHINGTON) On April 25, 1996, the Fox Broadcasting Company filed with the Commission a Request for Declaratory Ruling regarding a proposal to present statements by Presidential candidates over the network prior to the November 5, 1996 general election. Fox has proposed to offer news event coverage of back-to-back statements by the major presidential candidates, as determined by the Commission on Presidential Debates, in a one-hour block of time on Election Eve, and of ten 60 second position statements by each candidate in a seven-week period before the election. ABC, NBC, PBS and CNN also have announced plans to provide broadcast time to candidates.

Fox seeks a Commission ruling that its proposed programming would be exempt from the "equal opportunities" provision of Section 315 of the Communications Act as bona fide news programming. Section 315 requires that when a legally qualified candidate appears on a broadcast station outside the context of bona fide news programming, the station must afford equal opportunity to all legally qualified opponents. The statute exempts the following news programming from the requirement: 1) bona fide newscasts; 2) bona fide news interview programs; 3) bona fide news documentaries; and 4) on-the-spot coverage of bona fide news events. Also before the Commission is a letter dated April 16, 1996 from the Free TV for Straight Talk Coalition requesting that the Commission hold a public hearing to "better enable the Commission to discharge its important function of affording guidance as to the application of the equal opportunities requirement and exemptions thereto."

The Fox Request raises important issues regarding broadcasters' ability under the Communications Act and the Commission's rules to provide time to political candidates and, specifically, regarding the Commission's interpretation of the news exemptions to Section 315 obligations. The Commission seeks comment from interested parties on whether an exemption for the Fox proposal would be consistent with the statutory language, legislative history, and judicial Commission case law regarding the news exemptions. Also, commenters should address whether the Commission's current interpre-

tation of Section 315 may limit the ways in which broadcasters may voluntarily provide time for candidates to speak directly to voters, and whether programming that broadcasters in good faith deem to be bona fide news should be exempt from the equal opportunities rules regardless of format. Interested parties may express their views in written comments on or before June 3, 1996.

The Commission also will hold an en banc hearing in June to afford further public exploration of these important issues. Persons interested in participating in this hearing should express interest, in writing, by June 3, 1996, in a letter to Jonathan Cohen, Assistant Chief, Mass Media Bureau, Room 314, 1919 M Street, N.W., Washington, DC 20554. A date and an agenda for this hearing will be announced in a subsequent Public Notice.

Copies of the Fox request and the Coalition letter may be obtained from the Commission's Public Reference Room, Room 239, 1919 M Street, N.W., Washington, DC 20554, from the Commission's copy contractor, International Transcription Services, Inc., Suite 140, 2100 M Street, N.W., Washington, DC 20037, telephone (202) 857-3800, or from the FCC's World Wide Web site, www.fcc.gov, in the Mass Media Bureau "informal" directory under "fox_request.txt" and "coalition_ltr.txt". Comments should be filed with the Acting

Secretary, Federal Communications Commission, Room 222, 1919 M Street, N.W., Washington, DC 20554, not later than June 3, 1996.

For further information, contact Bobby Baker (202-418-1440) or Jonathan Cohen (202-418-2600) of the Commission's Mass Media Bureau.

performance based compensation system," added Chambers.

Firms in the state may sign contracts with Mondlak to serve as a distribution agent and pay a commission based on first year sales. Another option for state firms is to pay a \$250 fee through a U.S. Department of Commerce program to find a distribution agent.

This program should help Oklahoma companies capitalize from the privatization of Mexican industries, said Eric James, regional director of Commerce's International Division. "The addition of Mr. Mondlak should prove valuable to state firms in the areas of oil and gas, power co-generation, telecommunications, aerospace and aviation and others," commented James.

Mondlak will be available for interviews in Oklahoma in June. For more information, please contact the International Division of the Commerce Department at (405)841-5289.

Executive Action – Veto

HB1066 Principal Author(s): Monson, Angela; Sadler, Al Expands the definition of "licensed mental health professional" to include licensed marital and family therapists as defined in Section 1923.2 of Title 59 of the Oklahoma Statutes.; Effective Date: 11/01/96. 04/29/96 Governor Action - Veto

GOVERNOR'S VETO MESSAGE: (04/29/96) This is to advise you that on this date, pursuant to the authority vested in me, I have VETOED HB1066. This bill diminishes the current safeguards to assure the protection of the public and the mentally ill from potentially inaccurate mental health evaluation by underqualified persons.

HB2239 Principal Author(s): Bell, Jack; Erwin, Randall L. Modifies language relating to fishing and game licenses.; Effective Date: 11/01/96. 04/29/96 Governor Action - Veto

GOVERNOR'S VETO MESSAGE: (04/29/96) This is to advise you that on this date, pursuant to the powers vested in me, I have VETOED HB2239. This bill encourages infringement on personal property rights of citizens. In addition, the provisions of this legislation could result in an adverse effect on certain streams in our state.

HB2360 Principal Author(s): Henry, Brad; Weaver, Robert E.; Directs the Department of Public Safety and the Oklahoma Tax Commission to conduct a study relating to the regulation and licensing of jet ski and boat operators in the state; requires a report of the findings to be submitted to the Speaker of the House, the President Pro Tempore of the Senate and the Governor.; Effective Date: 11/01/96. 04/09/96, Governor Action - Veto.

GOVERNOR'S VETO MESSAGE: (04/09/96) This is to advise you that on this date, pursuant to the authority vested in me, I have VETOED HB2360 because the provisions of this bill would limit which state agencies would be eligible to be involved in efforts to ad-

dress a problem that involves several areas of state concern including not only the need for regulatory fees and regulation of water safety, but also potentially environmental concerns and the Oklahoma tourism industry. Limiting participation could result in less than accurate and complete recommendations for resolution of the problem to be addressed.

HB2621 (05/07/96) Principal Author(s): Dickerson, Larry; Paulk, William; Enacts the State Employees Fair Labor Relations Act. 05/07/96, Governor Action - Veto. **GOVERNOR'S VETO MESSAGE:** (05/08/96) This is to advise you that on this date, pursuant to the authority vested in me, I have VETOED HB2621. It has been necessary on more than one occasion for me to Veto provisions of law which grant individual private entities special privileges not available to all private entities. HB2621 grants the right to use state property for non-state purposes by a non-governmental entity. Such requirement violates constitutional restrictions. Currently, there exists private entities that have state employee members and that appear and lobby for state employees. State employees can join or no, and participate or not as they choose. By this action a state employee will not be prevented from participating in these or other types of private organizations.

HB2707 Principal Author(s): Monson, Angela; Roberts, Larry D.; States that prior to Jan. 1, 1997 the Board of Trustees of the Oklahoma Public Employees Retirement System shall establish rules and procedures enabling any participating employer to also participate in the Oklahoma Public Employees Deferred Compensation Plan; restricts multiple deferred compensation plans.; Effective Date: 07/01/96 Emergency. 04/23/96, Governor Action - Veto.

GOVERNOR'S VETO MESSAGE: (04/23/96) This is to advise you that on this date pursuant to the authority vested in me, I have VETOED HB2707. This bill places an unnecessarily restrictive limit on the abil-

ity of local governmental entities to participate in deferred compensation plans. In addition, there is an additional cost to the Oklahoma Public Employees Retirement System which has not been contemplated in the submitted proposed budget placed.

HB2822 Principal Author(s): Hamilton, James E.; Haney, Enoch Kelly; Hobson, Cal; Steidley, Dwayne; Authorizes the Department of Corrections to spend \$1,000,000 of the interest earned from investment of the proceeds of specified bonds for the payment of specified infrastructure repairs.; Emergency. 04/01/96, Governor Action - Line Item Veto.

GOVERNOR'S (LINE ITEM) VETO MESSAGE: (04/01/96) This is to advise you that on this date pursuant to the authority vested in me, I have VETOED one section in HB2822 because the item in this bill appropriating funds for "...addressing additional needs in the Appellate Program..." lacks sufficient details to support the amount stated. The item vetoed is found in Section 14 of the bill.

HB2982 Principal Author(s): Cain, Bernest; Thomas, Tommy Abolishes the Oklahoma Basic Health Benefits Board. Transfers authority of OK Basic Health Benefits Board to the Oklahoma Health Care Authority after July 1, 1996. Provides for membership of the Oklahoma Health Care Authority Board.; Effective Date: 09/01/96. 04/29/96 Governor Action - Veto **GOVERNOR'S VETO MESSAGE:** (04/29/96) This is to advise you that, pursuant to the powers vested in me, I have VETOED HB2982. This bill fails to address the problem of the violation of Section 1 of Article IV of the Oklahoma Constitution. The current law provides for a majority of legislative appointment to an executive board which performs administrative duties. This bill does not correct that constitutional infirmity.

Executive Action – Veto

SB 876 Principal Author(s): Culver, Bob Ed; Rozell, Herb; Authorizes the Scenic Rivers Commission to acquire additional property for the development and maintenance of scenic river areas. It requires the Oklahoma Scenic Rivers Commission and the Oklahoma Tourism and Recreation Department to give certain public notice; removing requirement for obsolete Commission rules; modifying Scenic Rivers Commission election procedures and appointments. 05/07/96, Governor Action - Veto.

GOVERNOR'S VETO MESSAGE: (05/07/96) This is to advise you that on this date, pursuant to the authority vested in me, I have VETOED SB 876. This bill fails to address the problem of the violation of the Oklahoma Constitution that provides for legislative appointments to an executive board which performs administrative duties. This bill does not correct that constitutional infirmity.

SB 987 Principal Author(s): Adair, Larry; Stipe, Gene; Provides exception for the Department of Transportation pursuant to disclosure of terms of bids. Requires the department to publish all engineering estimates at least 10 days prior to the bid submission closing date. Effective Date: 07/01/96; 05/01/96 Governor Action - Veto.

GOVERNOR'S VETO MESSAGE: (05/01/96) This is to advise you that, pursuant to the powers vested in me, I have VETOED SB987. The procedure provided for in this bill creates an exception, applicable only to the Department of Transportation, to the safeguards relating to the bidding process in this State. The awarding of multi-million tax dollar contracts by a state agency is a serious responsibility which must be carefully regulated and monitored. It is in the best interest of the citizens and taxpayers of this state to keep in place all procedures which assure an equitable and ethical bidding process.

SB 988 Principal Author(s): Dunegan, James; Stipe, Gene; Requires the Dept. of Transportation to issue permits for multi-state oversize and overweight vehicles. Designates specific routes for vehicles operating under such permits. 05/07/96, Governor Action - Veto.

GOVERNOR'S VETO MESSAGE: (05/07/96) This is to advise you that on this date, pursuant to the authority vested in me, I have VETOED SB 988. This bill violates the provisions of the Oklahoma Constitution that delegates authority to regulate certain types of truck permits to a private non-governmental entity. This legislation mandates the Department of Trans-

portation to accept truck weight load limits set by the private entity without regard to concerns about the effect such limits may have on Oklahoma streets, roads, bridges, and highways. Current law authorizes the Department of Transportation to enter into regional truck permit agreements when it is practical and feasible for the state.

SB 1017 Principal Author(s): Leist, M.C.; Shurden, Frank; States that the Troop Commander in charge of highway patrol troop may designate specified portions of federal aid primary highways and the state highway system in the service area of the troop.

GOVERNOR'S VETO MESSAGE: (05/15/96) This is to advise you that on this date, pursuant to the authority vested in me, I have VETOED SB1017 because it would remove local law enforcement control. This bill would create pockets of the state which would be abandoned by local law enforcement due to lack of authority. The vetoing of this bill is not intended to encourage local governmental entities to act irresponsibly in their annexing practices or in their law enforcement efforts. I am expressing my confidence in responsible local government control.
