

## Your SHIP Shopper's Guide 2012

This booklet is intended as a "guide." Once you have selected a company, you should consult with the insurance company or its representative to determine policy specifics and review the options that are available with that company. If a company you are checking on is not listed, please contact our office at (405) 521-6628 or toll-free at 1-800-763-2828 for further information. Consumer brochures are available to Oklahoma residents explaining other insurance coverages. These, too, are available from:
