

10 Standard Medicare Supplement Plans

How to read the chart:

If a checkmark appears in a column, the Medigap policy covers 100% of the described benefit. If a column lists a percentage, the policy covers the percentage of the described benefit. If a column is blank, the policy doesn't cover the benefit. Note: The Medigap policy covers coinsurance only after you have paid the deductible (unless the Medigap policy also covers the deductible).

*Plan F also offers a high-deductible plan. This means you must pay for Medicare-covered costs up to the deductible amount \$2,070 in 2012 before your Medigap plan pays anything.

**You will be required to pay a portion of Medicare Part A and Part B coinsurance until \$4,660 is reached under plan K and until \$2,330 is reached under Plan L. Once the out-of-pocket limit is paid, Plan K or Plan L (whichever plan you purchase) will pay 100% of all Medicare-covered services for the rest of the calendar year.

***Plan N pays 100% of the Part B coinsurance except up to \$20 copayment for office visits and up to \$50 for emergency department visits.
