

Oklahoma JobLink

Oklahoma JobLink (<http://www.oklahomajoblink.com>) is your best online source for posting jobs and finding employees in the state of Oklahoma. Unlike most other online job posting sites, creating an Oklahoma JobLink employer account is absolutely FREE. Plus, it's fast and easy!

To list and manage your own positions, go to <http://www.oklahomajoblink.com> and click on the “Find Employees” link to create an account where you can:

- search our database of thousands of resumes
- post your job openings
- receive email updates on new job seeker resumes
- manage your company profile

To have our staff list and manage your positions, call 1-888-980-WORK (9675) toll-free to be connected to the workforce center nearest you. Our staff can:

- post and manage your job openings for you
- search our database for applicants and resumes
- screen applicants according to your job requirements
- create customized job events for special hiring projects

Through strategically-placed workforce centers across the state or through the Oklahoma JobLink system, customers can access a wide array of workforce services designed to specifically address their needs.
