

Please note, however, that if an employer chooses to report to one state, the information may not be available to the employee's work state for purposes of detecting fraud in the unemployment insurance or workers' compensation programs.

Notification to states other than the one to which a multi-state employer chooses to report

The National Directory of New Hires (NDNH) will maintain a list of those multi-state employers that have elected to use single-state notification. The designated reporting locations of those employers will be made available to all states so they can be aware of where their state's new hires are being reported.
