

Login (Exhibit 5)

- To login, select “**Log In**” found on the menu on the left side of the screen of the Gross Production System.
- When prompted enter the **Customer ID** that was created during registration.
- Enter the temporary password received via the registration confirmation email from the OTC in the **Current Password** box.

EXHIBIT 5

The screenshot shows a web browser window titled "Gross Production System - Microsoft Internet Explorer provided by Oklahoma Tax Commission". The address bar shows the URL "https://www2.oktax.onenet.net/GrossProduction/menu.php". The page features a header with the Oklahoma Tax Commission logo and navigation links: "home", "contact us", and "search". Below the header, there is a section titled "Gross Production System". On the left, a blue box prompts the user to "Please log in to the Gross Production System to continue". On the right, a "System Login" form is displayed with fields for "Customer ID:" and "Password:", followed by an "OK" button.

- At the time of a user’s initial login, a box will pop-up prompting the user to change his current password and enter a **Password Hint**. (Exhibit 6)
- Select a new password and enter it in the **New Password** box. (Note: Passwords may be up to 20 characters in length and may be a combination of alpha and numeric characters.)
- Click on the **OK** button when finished filling out the Change Password form.

EXHIBIT 6

The screenshot shows the same web browser window as Exhibit 5, but the "System Login" form is replaced by a "Please Change Your Password to Continue" form. This form includes fields for "Customer ID:" (with a placeholder "CustomerIDName"), "Current Password:" (with a masked password "*****"), "New Password:", "Retype New Password:", and "Enter Password Hint:". There are "Clear" and "OK" buttons at the bottom of the form. The left sidebar still prompts the user to "Please change your password to continue".
