## History

The Clara Waters Community Corrections Center (originally known as the Clara Waters Community Treatment Center) is located on I-35 in northeast Oklahoma City. The center was opened in March, 1978, as an all female facility and later changed to co-ed in September, 1983. The facility remained co-ed until 1992, when, during a single day, the females at the center were transported to the KBCTC, an all male facility, and the males at the KBCTC were transported to the CWCTC which became an all male facility, with KBCTC becoming all female. On May 9, 2003, the facility was severely damaged by a tornado, forcing relocation of the offender population.
