

HEARING LOSS ASSOCIATION (HLA) OF OKLAHOMA CITY

PURPOSE

Hearing Loss Association (HLA) and its members strive to improve the quality of life to individuals who are hard of hearing through education, advocacy and self-help. The primary purpose of HLA is to educate people who are hard of hearing, their families and friends, co-workers, teachers, industry, government, and others about hearing loss. HLA provides adults and children with tools for self help; sensitizes the general population about the special needs of people who have hearing loss; and promotes understanding of the nature, causes, complications, and remedies of hearing loss, as well as ways to cope with it in daily life.
