PIECES OF THE PUZZLE

- TCC provides three types of Inpatient Services: Specialty Hospital Care (Complex Care), Sub-Acute Care, and Inpatient Pediatric Rehabilitation (Pediatric Medical Rehabilitation).
- TCC also offers Outpatient PT, OT and SLP services as well as Outpatient AAC Evaluations.
- TCC partners with Oklahoma ABLE Tech to provide an assistive technology device demonstration center and short-term equipment loan program. The demonstration center can assist a person or small group of individuals the opportunity to explore one or more assistive technology devices to assist in the decision-making process about device purchase or utilization. The short-term loan program allows a person to "try before you buy" an assistive technology device.
