

The Oklahoma Insurance Department is responsible for enforcing the insurance-related laws of the state. We protect consumers by providing accurate, timely and informative insurance information. We promote a competitive marketplace and ensure solvency of the entities we regulate. We also license and educate insurance producers and adjusters, funeral home directors, bail bondsmen and real estate appraisers.

More than \$13 billion of premiums are written in Oklahoma annually. OID collects more than \$150 million in premium taxes, which provides funding to the Firefighters Retirement System, the Police Retirement System, the Law Enforcement Retirement Fund as well as the State's General Revenue Fund.
