## FORMING A CAPTIVE

The process of incorporating a captive insurer in Oklahoma and applying for a license from the Oklahoma Insurance Department will involve the following steps:

1. *Your approved manager will arrange a meeting with the Company and the Oklahoma Insurance Department's captive staff to discuss the proposed captive and obtain initial reactions from the Department.*
2. *Prepare documents necessary for organization. The services of a local lawyer may be desirable.*
3. *Prepare documents necessary for application to the Department (available on our website).*

Submit one copy of all materials in numbers (2) and (3) above to the Oklahoma Insurance Department for review. Include a \$200.00 review fee and a \$300.00 license fee.
