History

Union City was originally built for Avalon Corporation in 1999, as a high-security juvenile facility. The structure, approximately 45,270 square feet on 20 acres, was purchased by the Oklahoma Department of Corrections in July 2006. It was determined that the facility was best suited to house community level offenders. The facility officially opened March 24, 2005, as the Union City Community Corrections Center with a capacity of 228 offenders. The majority of the offenders are assigned to work for surrounding city, county, or state agencies under provisions of the Prisoner Public Works Program.
