History

In one sense, Jackie Brannon Correctional Center (JBCC) was the third state correctional center, originally opening in 1927. But it operated as a trusty unit of the Oklahoma State Penitentiary, on OSP grounds, until being officially established as a stand-alone minimum security institution on July 1, 1985. The facility is named in honor of Jackie Brannon, who began his correctional career in 1961 as a correctional officer at OSP. In 1981, he was promoted to Deputy Warden of the OSP Trusty Unit, in which capacity he served until his death in 1984. It is this same trusty unit, since expanded, that bears his name.

JBCC is located on 1,286 acres in the northwest section of McAlester, Oklahoma. The facility has three housing units that house 737 inmates. The facility sends out Prisoner Public Works Program crews to assist with work in the city, county, and with the Department of Transportation. There is also a six month Substance Abuse Treatment Program for offenders who meet the enrollment requirements. Burial rites for all indigent Oklahoma offenders are performed at JBCC.

OFFENDER PROGRAMS

Substance Abuse Treatment program is an intensive cognitive treatment program for offenders who have a documented history of substance abuse problems. This program is six months in duration, and each participant spends a minimum of nine (9) hours per week in treatment sessions. Each six month cycle consists of a maximum of 20 participants. The program has two cycles per year. During each cycle, participants are exposed to individual and group counseling sessions covering behavioral modification, effects of chemical abuse, goal setting, and relapse prevention.

Education Department offers classes in literacy, adult basic education, GED and on-site college course work on a part-time basis. If requested, offenders may be allowed to attend the GED program on a full-time basis. The Education Department also offers a Life Skills program to offenders who are nearing the completion of their sentence. This

program is designed to assist the offender in their re-entry process and get them familiar with tasks that they will be facing upon their release from incarceration such as filling out job applications, finding housing and opening a checking account.

Peer Tutoring & HIV/STD Peer

Education are prevention and education programs sponsored by the department through the Medical Services Division. The purposes of these programs are to give offenders a chance to learn and understand the facts concerning HIV, AIDS, STDs and living with chronic conditions. Using Peer Tutoring, offenders learn how to prevent infection and be aware of what types of behaviors put them at risk as well as how they may be of help to others with chronic conditions.

Jackie Brannon started in corrections in 1961 as a correctional officer at the Oklahoma State Penitentiary. His career progressed to be named Deputy Associate Warden of the Oklahoma State Penitentiary Trustee Unit. He died in 1984. Jackie Brannon Correctional Center is a minimum security facility located in McAlester. It opened in 1985 as a separate institution from Oklahoma State Penitentiary.
