OFFENDER PROGRAMS

Thinking For A Change

This is a program that uses cognitive restructuring concepts to systematically alter thinking, feeling, beliefs, attitudes, and values to improve critical social skills.

Faith & Character Community Program

The mission of the Faith & Character Community Program (FCCP) is to develop pro-social character qualities in offenders with long-term sentences through modeling by staff and the integration of the offender's personal spirituality or life philosophy through a regimented curriculum. The FCCP is approximately 12-15 months in length. The participants receive 30 achievement credits for graduating the program.

Barbering

This program targets individual students who already hold confirmed high school diplomas or GED certificate and who wish to learn basic barbering skills.

CIMC Life Skills

CIMC Life Skills is a nine-component program which provides offenders

INDUSTRY

Oklahoma Correctional Industries Garment Factory currently employs 44 offenders. The factory produces all offender clothing and linens used within the Oklahoma Department of Corrections.

Agri-Services Vehicle Maintenance Facility is a full service garage responsible for servicing and maintaining the fleet in excess of 24 vehicles as well as heavy farm equipment, small engine mowing equipment while meeting the needs of other facilities within the Oklahoma Department of Corrections.

Agri-Services
Agri-Services is responsible for the production of agriculture related operations. Agri-Services farm operation employs a sufficient amount of offenders to maintain operations.

information for developing and/or enhancing basic life skills intended to help offenders function better upon re-entry into society.

Citadel Systems

This program employs 45 offenders housed on the General Population Units. These offenders are trained on basic communication skills allowing to productively sell a long distance telephone service to small businesses across the United States for a private company contracted with the Department of Corrections.

EDUCATION

Literacy

This program targets individual offenders whose reading skill level is below 6.0 as measured by the Test of Adult Basic Education at the time of entry into the education program.

G.E.D. Preparation

This program targets individual offenders whose total battery performance level is above 8.9.

Adult Basic Education (ABE)

This program targets individual offenders whose total battery performance level is below 8.9 and their reading level is too high to qualify for the Literacy program.

High School Instruction

This program targets individuals who lack one or two units of credit completing their standard high school diploma and who are expected to remain in the population long

OPERATIONS

Medical Services provides medical, dental, vision and psychiatric services to all OSR offenders, five Southwest Oklahoma Work Centers, and two contracted county jails.

Religious Programs

The Chapel provides the facility with an exclusive area for the faith and religious needs of the offender population seven days a week.

Law Library

The Law Library provides an avenue for offenders to obtain legal assistance from trained offender research assistants. Offenders are provided this service to assist them in cases related to conditions of confinement and post conviction relief.

enough to complete the necessary course requirements.

College Program

This program targets individual offenders who have a confirmed high school diploma or G.E.D. certificate and have demonstrated the "ability to benefit" from college (Associate Degree) program by passing the entrance exam of Western Oklahoma State College.
