THREE ELEMENTS OF TRAFFICKING

****Any minor engaged in commercial sex is a victim of Human Trafficking***

DEFINING HUMAN TRAFFICKING

"**Human Trafficking**" means recruiting, abducting, facilitating, transferring, harboring, or transporting a person, by threat or use of force, coercion, fraud or deception or by the purchase, sale, trade, transfer or receipt of a person, for the purpose of subjecting that person to involuntary servitude, peonage, slavery, slave-like practices, sex trafficking, or forced or bonded labor services.

"**Smuggling**" is **NOT** "**Human Trafficking**". The key distinction between trafficking and smuggling lies in the individual's freedom of choice. Smuggling is the consensual movement of a person from one point to another and ends at arrival to the destination. Central to the distinction is the denial of the trafficking victim's liberty.
