

## **TRAVEL TRAILERS OR MANUFACTURED HOMES SOLD BY FEMA**

U.S. Government Standard Form 97 is used by the United States Government to transfer ownership of a travel trailer or manufactured home from the government, to an individual or firm.

- Transfers of ownership with properly completed Form 97 do not require OTC approval.
- Issue an original Oklahoma title, even if the travel trailer or manufactured home has been titled in Oklahoma.
- Issue the original Oklahoma title in the same manner as if from an out of state title. (Completed Application for Oklahoma title, serial inspection on travel trailer, etc).

## **MANUFACTURED HOMES**

- Excise tax for manufactured homes is based on actual purchase price (bill of sale, copy of dealer contract or canceled check) if none of those items are available, the purchaser may complete a Declaration of Vehicle Purchase Price (form 722-1). If no sale has taken place (family transfer or gift) email FDP001 for a value of the manufactured home.
- Manufactured homes are registered on a calendar year basis (December expiration) after that taxes are collected by the county assessor.

## **TRAVEL TRAILERS**

- Excise tax for travel trailers, price acceptability must be verified by emailing FDP001.
- Travel trailers are issued a standard non-commercial plate and updated yearly through the local tag office or the Oklahoma Tax Commission.
- Brands on travel trailers will apply.
