

State Small Business Credit Initiative

The State of Oklahoma was awarded \$13,168,350 by the U.S Treasury for the State Small Business Credit Initiative. The award will be used to make capital investment in new and expanding small businesses in Oklahoma. i2E will manage the funds on behalf of the State of Oklahoma. For more information please contact i2E at (405) 235-2305 or www.i2e.org.
