

- Fast Forward - Oklahoma has established Fast Forward for the convenience of the motor carrier. Motor Vehicle staff provides immediate personalized assistance in providing registration and fuel permitting.

## **2. Benefits under IFTA:**

- License and Identification - The motor fuel license and identification decal issued by Oklahoma are the only license and decal required to operate interstate vehicles in IFTA member states. The temporary fuel permit is valid for five days.
- Reporting - Only one quarterly report is filed for fuel tax liability on fuel consumption in the state for IFTA member states. Credit for over-purchase in any member IFTA state is accomplished in the one report filed with Oklahoma.
- Auditing - Generally, Oklahoma will be the only state to audit the records of an Oklahoma license-based carrier for all other IFTA and IRP jurisdictions.
- Deregulation - The Corporation Commission no longer regulates rates, routes, and services of most motor carriers.
- Member - Oklahoma is a member, as are all other states and most Canadian Provinces, in the International Registration Plan (IRP) - not an IFTA benefit. This is an IRP benefit.
- Member - International Fuel Tax Association, Inc. All states are members except Alaska and Hawaii.

I-35 - The interstate that bisects Oklahoma is a NAFTA Corridor (North American Free Trade Agreement).
