FIGURES

1. Map of Robbers Cave State Park area and nearby highways in southeastern Oklahoma	2
2. Location map of available facilities at Robbers Cave State Park	3
3. Photograph of Robbers Cave	4
4. Geologic time scale compared to calendar year	7
5. Geologic provinces of Oklahoma	8
6. Columnar section, Robbers Cave area	9
7. <i>Stigmaria</i>	10
8. <i>Calamites</i>	10
9. Scale trees	11
10. Geomorphic regions of Oklahoma and parts of surrounding states	13
11. Geomorphic provinces in central and eastern Oklahoma	15
12. Aerial view of canoe-shaped mountain west of Robbers Cave State Park	15
13a. Topographic map of Tucker Knob	16
13b. Tucker Knob	16
14. Bluff at Robbers Cave	17
15. Joints in sandstone	17
16. Slumped blocks of sandstone	17
17. Small cuesta in the Robbers Cave area	18
18. Lake Carlton	18
19. Illustrations showing leaf organization	25
20. Illustrations showing leaf parts, position, and margins	26
21. Illustrations showing simple, alternate leaved species	27
22. Illustrations showing simple, alternate leaved species	28
23. Illustrations showing simple, alternate leaved species	29
24. Illustrations showing simple, alternate leaved species	30
25. Illustrations showing simple, alternate leaved species	31
26. Illustrations showing compound, alternate leaved species	32
27. Illustrations showing compound, alternate leaved species	33
28. Illustrations showing compound, alternate leaved species	34
29. Illustrations showing simple, opposite leaved species	35
