Stratigraphy and Depositional Environments of the Sandstones of the Springer Formation and the Primrose Member of the Golf Course Formation in the Ardmore Basin, Oklahoma

LeRoy A. Hemish and Richard D. Andrews

Prepared for a two-day field trip, this volume is one in a continuing series that provides information and technical assistance to Oklahoma's oil and gas operators.

*The Springer field trip has been offered in conjunction with a one-day workshop on the Springer gas play. The workshop information is covered in a companion publication, **Springer Gas Play in Western Oklahoma**, by Richard D. Andrews (OGS Special Publication 2001-1).*
