

OKLAHOMA ARCHEOLOGICAL SURVEY
State Archaeologist: Robert L. Brooks 405 325-7211

If you are having difficulties contacting any of the above parties about vandalism, you can contact the State Archaeologist with the Oklahoma Archeological Survey. The Archeological Survey would also be the appropriate contact if you simply want to report an archaeological site on state or private lands. For reporting a site on federal land, you should contact the appropriate federal preservation officer.
